Re: *United States v. Manuel Peralta*, 22 Cr. 150 (JPC)

Dear Judge Cronan:

The Government respectfully submits this letter as a follow-up to the bail hearing held in the above-captioned matter on March 24, 2022. In ordering the defendant's release on certain bail conditions, the Court inquired about whether the defendant's co-defendant and brother Daniel Peralta was released on home detention with electronic monitoring or home incarceration with electronic monitoring. As the Court noted at the conference, Mr. Daniel Peralta's bond (Dkt. 9 at 4) indicates that he was released on home incarceration, but the notes on page five (*Id.* at 5) indicate that he was released on home detention. The attachment to the disposition sheet (Dkt. 10) indicates that Mr. Daniel Peralta was released on home incarceration. The Government has conferred with Pretrial Services and consistent with the disposition sheet and the bond, Mr. Daniel Peralta is currently being supervised on home incarceration with electronic monitoring.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney for the
Southern District of New York
